## CSC EXTENDS DEADLINE FOR CAREER SERVICE WRITTEN EXAM APPLICATION, PUTS UP MOBILE PROCESSING CENTERS FOR EXAM APPLICATION

The filing of applications for the April 17, 2016 Career Service Examination-Paper and Pencil Test (CSE-PPT) for Professional and Subprofessional has been extended up to **February 26, 2016**.

The filing period should supposedly run until February 25, 2016 only, however, it is extended in the light of the declaration of February 25, 2016 as a Special Non-Working holiday throughout the country in celebration of the 30<sup>th</sup> anniversary of the EDSA People Power Revolution.

The Career Service Examinations, which are general ability tests designed to measure verbal, analytical, numerical and clerical skills, are open to Filipino citizens who are at least 18 years old at the time of filing of application. Moreover, while applicants may continuously take the examinations regardless of the number of times they failed, the Civil Service Commission stressed that the same level of examination should be taken once in every three months. With this condition, the CSC said that applicants for the April 17, 2016 examinations must not have taken the same level of examination since January 17, 2016.

Meanwhile, as the deadline draws nearer, escalating number of clients has been observed at CSC Field Offices in the Bicol Region where applications for the CSE-PPT are processed. To ease transactions at some field offices, CSC has put up various mobile processing centers for exam applications. Instead of going to CSC Field Offices, interested applicants may opt to file their exam applications at these mobile processing centers:
